REMARKS.—Excludes [illegible]am, jodi, [illegible]avargeth, sarvamanya, kandayam and other lands, which are in the [illegible]nce of private individuals as well as village "Amarayi" which is sold separately [illegible] in the Revenue Department.

(*h*) That no smoking will be permitted anywhere in the precincts of the Sandal Koti building and that in case of danger to the sandalwood by fire, the contractor will be liable to the Department for damages which will be recoverable as if it were an arrear of land revenue.

(*i*) That the contractor and his coolies will submit to the disciplinary measures that may have to be enforced by the Koti Officer during working hours.

(*j*) That for failure to fulfil all or any of the foregoing conditions, the contractor shall be liable for such fine as the District Forest Officer at his discretion may levy in addition to the forfeiture of the security deposit to Government which will be recoverable as an arrear of Land Revenue.

N.B.—As a rule higher rates are payable for the superior classes of prepared wood and less for chilta classes. Hence two different rates should be quoted in the tender one for the outturn of superior classes and the other for chips and milva chilta since the object aimed at is that care should be taken by the contractor to see that the koti preparation work is conducted so as not to waste heartwood by conversion into chips.

Notification dated 18th July 1930.
